

## “Come and See”

### What is Alpha?

Alpha is a series of sessions exploring the basics of the Christian faith. Typically run over eleven weeks, each session looks at a different question that people can have about faith and is designed to create conversation. It's just an open, informal and honest space to explore and discuss life's big questions together.

### What does Alpha look like?

There isn't really an average Alpha. Alpha is run in local communities all around the world, and everyone's welcome. It runs in cafes, churches, bars, prisons, parks, universities, schools, homes...you name it. No two Alphas look the same, but generally they have three key things in common: a meal, a talk, and good conversation.

### How much does Alpha cost?

There's no charge to do Alpha, though some places may ask for a contribution for food.
